Dear Parent or Guardian:

North Arlington Board of Education receives Title III funding from the federal government to help English learners to speak, read, and write in English and to achieve in reading and mathematics. School districts and other agencies that receive Title III funds are reviewed each year, as required under the No Child Left Behind (NCLB) Act of 2001, to see if they meet the three Annual Measurable Achievement Objectives (AMAOs) for their English learners:

- Progress in learning English
- Progress in the percentage of students who become proficient in English
- Academic targets in English-language arts and mathematics

For the 2013-2014 school year, North Arlington did not meet one or more of these targets. Specifically, the district failed to achieve the 79% target for percentage of students who improved their English language proficiency.

If you would like more information about how your child is performing on these targets, please contact your child's teacher or school. Please contact Walter Curioni at 201-991-6800 X 2100 for more information on the educational program to help English learners become English proficient and meet academic goals.

Sincerely,

Walter M. Curioni
