

North Arlington High School Hosts “Casino Night” for Hands of North Arlington

On November 17, 2015, North Arlington High School hosted a ‘Casino Night’ for Hands of North Arlington. The event, sponsored by the North Arlington Education Association, welcomed the ‘Hands’ group and provided a fantastic evening for these wonderful, special needs adults. Game tables were directed by many Viking student volunteers and terrific district staff members. The cafeteria was decorated from ceiling to floor and wall to wall, thanks to more Viking volunteers, especially the custodial staff. While dancing was nonstop, prizes were awarded, snacks and pizza were enjoyed thanks to the North Arlington Education Association and Mr. Brunos of Lyndhurst N.J. It was a great night and everyone had a SUPER time!! Watch for news about our next ‘Hands’ event and feel free to come out and join us!!!
