

North Arlington Competition Cheerleading Squad Receives 1st Place in Houston, Texas

The North Arlington High School Competition Cheerleading Squad recently placed first at the “Cheer Bowl” Nationals” held in Houston, Texas. In addition to this great achievement, the team fell just a few points short from winning “Grand Champions.” These accomplishments are extraordinary and well-deserved at the national level.

Mr. Mingoia, North Arlington High School Principal, stated “The school community is very proud of the team. This team worked extremely hard, attending weekly team tumbling sessions, grueling practice sessions and conditioning workouts to train for this event. Their first place win at nationals is a product of their commitment and hard work.” The Competition Cheerleading Squad was successfully led by Coach Jessica Barber and Assistant Coach Alyssa Rodriguez.
