*North Arlington High School Students take their First Class at BCC*

On Friday, September 1, 2017, juniors enrolled in the Early College Academy at North Arlington High School (NAHS) returned from their very first college class at Bergen Community College (Meadowlands). Students spent the afternoon learning American Sign Language, as their first step towards completing an Associate Degree in conjunction with a high school diploma! The Early College Academy is a unique program for students to pursue an Associate Degree in Business Administration, Criminal Justice, or Liberal Arts.
